ABSTRACT.

Having been informed by the Taluk authority that the cost of the annual repair of the Mat should as ordered by the Chief Commissioner be defrayed out of the grant made to the Mat the Petitioner begs to state that H.H. the late Maharaja, under whose order the Matt was first built, issued two Sunnads, o which one conferred on the Gu a Jahagir village & a grant i Cash, and the other provided that the repair of the Matt sh every year be effected by the Govt at their own cost. rank and sanctity from personal appearance
Courts did not include us. When we came to know
that our name had been omitted in the list of
exempted persons We referred to this list, and
found that it contained the names of certain Gurus
far inferior to us, and even those of Shudra Caste.
It is therefore conclusively certain that the omission
of our name in it, is due to inadvertence or imperfect
information furnished by Subordinate local
Officers. As section 641 of the Civil Procedure
Code (act XIV of 1882), authorizes the Local
Government to exempt persons of rank from
personal appearance in Courts, we again requested
the Dewan to extend the privilege to us, but he
was not pleased to alter his former order.

4 As we had been summoned by the Munsiff
of Bangalore to appear in his Court on the 11th
instant, we sent an urgent prepaid telegram
to your Highness praying for immediate exemption
under the above section, so that the Munsiff's
Summons might be withdrawn, but unfortunately
for us, no orders were received. The Munsiff
has in the meantime issued a warrant

against us to produce us before him under arrest He is thus determined to see us put an end to our existence in this world

5 Even in the purely British territories, our colleagues are exempted from personal attendance and if, during the British Administration of the province, we had come to know of the omission of our name in the late Chief Commissioner's list, and if we had then made a representation to him on the subject, he would never have declined to grant our request It is extremely to be regretted that under the present Native Administration, the Dewan should cause disturbance to our holy meditations and divine prayers, by not complying with our wishes, though the Imperial Legislative Council have empowered him by the aforesaid section to exempt personages like us from time to time.

6. This world is not stationary, but it is subject to periodical changes, and as persons die from time to time giving places to the new-born, the orders and Notifications issued by a Government, must necessarily be subject

to alterations, additions, and corrections. Therefore, the Imperial Laws give sufficient latitude to local Govts. The above section 641 does not provide that exemptions should be made once for all. Neither does it lay down that, if any Head of the local Govt omits to exempt any one, his successor cannot supply the omission, nor does it prevent the native local Govts from exempting any persons omitted in the list published by the late C.I Commissioner.

7. Your Highness will clearly see that para 2 of the said section 641 provides - "The names and residences of the persons so exempted shall from time to time be forwarded to the High Court by the Local Govt", and that therefore the Local Govt may exempt persons of rank at any time whatever.

8 Under the above circumstances, we pray that your Highness may be pleased to order the necessary Notification to be issued, exempting us from personal appearance in Courts, and to thereby relieve us from our present anxiety.

May the Almighty God crown your Highness with peace, long life, prosperity

The Chief Commissioner's Proceedings, No. 7531—82, dated 5th January 1876, directing that the repairs of the Raghavendraswami Matt, should be executed from the Temple Funds, and the amount deducted from the allowance of Rs. 6,695—8—0 enjoyed by the Matt.

Petition from the Parpattegar of the Matt submitting for reasons stated that the cost of repairs should be borne by the State.

No. 3573—FINL. 47, DATED BANGALORE, 8TH JULY 1876.

ORDER THEREON.—In his Order No. 7531—82, dated 5th January 1876, the Offg. Chief Commissioner objected to the proposal to defray the cost of annual repairs to the Raghavendraswami Matt at Nanjangúd, from the District Muzrayi surplus fund, and expressed his opinion that such cost might be defrayed from the funds of the institution itself.

2. On a further representation from the Parpattegar of the Matt, the Chief Commissioner observes that, having regard to the terms of the lat maraja's sannad and to the previous recognition by the Chief Commissioner of the s of the Matt to grants from Government for the purpose, the Matt appears entitled to the consideration sought for, and he accordingly directs, in modification of the orders above quoted, that the payment of Rs. 30 be continued to be made, as heretofore, during His Highness the present Maharaja's minority, out of the State funds.

3. The necessary provision should be made hereafter in the Budget Estimate of the Mysore District.

Sir,

In reply to your docketo Nos: 132 and 769 dated 13th May and 18th October 1886 respectively, forwarding for report a petition from Lukshmi Narsimhachar, Agent of Raghavendraswamy Matta, Nanjangode, I have the honor to state that Rs: 30 was paid to the Matt on 4th August 1880, for the repairs executed in 1877-78 in accordance with Chief Commissioners Proceedings No: 3573/47 dated 8th July 1876. This order was superseded by Proceedings No. 4548-9/806 dated 6th November 1880 (Copy enclosed for ready reference) which directed that the Matt should be left to carry on the repairs at

view to sell. Hence no provision has been made in the Budget since 1881-82 and no money paid since 1878-79. I beg to submit herewith as called for, an authenticated copy of the sunnud issued by His Highness the late Maharajah, to the Amildar of Ranjangode on 22d April 1818. Submitted for the Orders of H.H. The Mutt asks that the building might now be repaired & the grant continued as regards the future. The repairs now would cost a large sum - Say Rs 1000 or even 2000/- I do not recommend that this be done, as it will lead to inconvenient requests of the same kind in the future - As regards the annual grant of Rs 30/- I think its continuance only just for reasons stated in this Draft

Order thereon :-

The Agent of the Raghavendraswami matt at Nanjangode applies for the repairs of the matt building, ~~attached to the matt~~ at Government cost. The claim is based upon a Nirup issued by H.H. the late Maharajah on 22nd April 1818, which directed the Thermuindar of Nanjangode to execute at his discretion any repairs

which the Matt building might stand in need of. Acting on the authority of this Minute, the Superintendent of the late Ashtagram Division, Capt: Chalmers, fixed, by his order d/15th October 1836, an annual grant of 10 Cazjodas/Rs 29.1.5 for repairs of the Mati building. About 1864, the grant was fixed at Rs 30 a year, and Mr Bowring decided that the cost of the repairs should be debited to the General Revenues.

In January 1876, the Bg Chief Commr objected to defraying the cost of the repairs from the District Mugrai Surplus Fund

and expressed his
opinion that the
cost should be re-
fraged from the
Funds of the Matt.

the Matt, the Chief
Commissioner, having

of the late Maharaja

of the claims of the
matt to grants from
Government for the
repair of the Matt
building, (noted

On 18th November 1880

The case again came up before the Chief Commissioner on a reference from the Comptroller as to the head to which the sum should be charged in the accounts, and it was then decided that the late Maharajah's Firman of 1818 referred only to what he wished to be done at the time and could not be construed as rendering any permanent arrangement of the kind obligatory on the Govt.

His Highness the Maharajah has given the sub-

of opinion that though
the Minute of 1878 is
susceptible of the
interpretation put
upon it by the Chief
